

A Taste of Constellations

Are you having difficulty with your significant relationships, finances, and/or addictions? Have you lost your sense of purpose or hope? Would you like an on-going monthly group to delve more deeply into these issues?

Come spend one evening a month from October - June, receiving a powerful taste of Constellations!

During these life-changing, Shamanic journeys, we'll travel down into the soul of your family, and look at the unwanted, unconscious soul agreements you made at birth. From this place of compassion and Unconditional Love, you'll be able to make conscious, powerful agreements, that aren't just affirmations, but real shifts in conscious energy.

Each evening we'll use the high-vibrational ideas of the Constellation Approach and explore different aspects of your lives that include your relationship to:

- ◆ your parents
- ◆ significant others
- ◆ any addictions/unwanted habits and so much more

The richest insights come from attending the full series. You may also drop in, as your schedule allows.
