Are you stuck with your relationship to your significant others, children, parents, money, colleagues, work and/or addictions?

Through this Shamanic journey, experience Brief and Powerful Constellations that will get to the core of your issues.

Travel down to the soul of your family and acknowledge the unconscious soul agreements you made even before you were born!

When you realize these soul-agreements, you will also feel the depth of unconditional love from which they were made.

From this place you will be able to create new and conscious agreements.
